Notice

FDCM had been conducting e-auction for which M/s Sparsh Technologies were rendering services as the Authorized Service Provider. All the formalities with respect to GST viz. generation of e-auction etc., were being taken care of at e-auction portal itself. However, the Agreement with the said ASP has come to an end on 31.12.2022, following which the FDCM has switched over to the ground auction for a temporary phase. The FDCM has received representations from the bidders and purchasers regarding delay in generation of e-invoice and on other accounts pertaining to GST. Due cognizance has been taken in this regard and all necessary arrangements for expediting the process are being taken up. Note to that effect may be taken in that regard.
